

Our mission is to help local students attain their goal of earning a college education. The foundation, which was established by California Coast Credit Union to honor the legacy of the teachers who started the credit union, provides scholarships for students and grants to educators in San Diego and Riverside counties.

Educator Grant Recipient

EDUCATOR GRANTS

We provide educators in K-12 public, private, or charter schools, as well as community and state colleges/universities, with monetary support for innovative class projects in any of the STREAM fields (Science, Technology, Reading, Engineering, Arts, and Math).

STUDENT SCHOLARSHIPS

We award scholarships to deserving college students, graduating high school seniors, and foster students who are or have been in the foster care program to pursue accredited degrees.
